

**Here's what we make sure to secure on a monthly basis for the 24 HIV+ children in our care.** Whatever amount you can afford will greatly help. Please choose ***one or more*** categories. Circle the amount you would like to contribute and for how long you would like to make your contribution. Please email or mail the completed form back to us at the address below.

**Food:** Depending on market prices, it costs between \$1,900 – \$2,000 to feed the children each month. You, your organization, church, or business can choose to commit to contribute any amount listed below toward food each month.

**\$50                      \$100                      \$150                      \$200                      \$300                      \$400                      Other: \_\_\_\_\_**

**Water** costs \$160 per month. We purchase ***fifteen five-gallon jugs*** of water 2-3 times to drink a week and two truck of water for regular use every month.

**\$20                      \$40                      \$60                      \$80                      \$100                      \$125                      Other: \_\_\_\_\_**

**Transportation:** To meet the transportation needs of our children, we hired a local tap-tap driver at \$100/month. This driver answers calls at all times, even late night emergencies.

**\$20                      \$40                      \$60                      \$80                      \$100                      \$150                      Other: \_\_\_\_\_**

**Medication for opportunistic infections (OIs):** Although the children do not get severe OIs, they do get colds, shingles, skin rashes, diarrhea and other common OIs. We set money aside monthly to make sure we are able to purchase any medications prescribed for OIs by their infectious disease doctors.

**\$10                      \$20                      \$40                      \$60                      \$80                      \$100                      Other: \_\_\_\_\_**

**Caregivers monthly stipends** - The team consists of three live-in HIV+ women, project coordinator, social worker and tutor. **It would be a tremendous help to assist us with any portion of the monthly \$862.50 stipend we pay our staff:**

On average we spend **\$1,500 a month** on staff salaries/stipends. Please help us in covering this cost.

**\$50                      \$100                      \$150                      \$200                      \$300                      \$400                      Other: \_\_\_\_\_**

**Our mission** is to *enhance the quality of life for HIV+ orphan children and women through education and care in a family-centered environment.*
